Ash Vac

**TC-AV 1620 DW**

**Item No.: 2351665**

Ident No.: 21020

Bar Code: 4006825640410

The Einhell TC-AV 1620 DW ash vacuum cleaner makes light work of clearing up ash. The 20 liter container enables it for prolonged work. The handle makes it easy to transport and there are 4 castors for mobility & flexibility. Equipped with a metal-reinforced suction hose (Ø36 mm, length 1.2 m) & an aluminium suction tube, fine dust & ash dust have no chance. This is ensured by the pleated filter & the additional pre-filter for better filtration. This prevents the main filter becoming quickly clogged. The hose can be connected to the air outlet, so that the blowing function can be used instead. The quick-release fasteners enable the container to be emptied quickly. The power cable can be wound up on the handle for practical storage.

## Features & Benefits

- The 20 liter collection container enables a long use
- Flexible and mobile thanks to four castors
- Practical carrying handle for an easy transport
- Stable thanks to metal-reinforced suction hose and aluminum tube
- No chance for fine and ash dust thanks to the pleated filter
- An additional pre-filter ensures better filtration
- Pre-filter prevents a fast blockage of the main filter
- With blowing function by inserting the hose on the air outlet
- Easy emptying of the container thanks to quick-release fasteners
- Practical storage of the power cable by winding on the handle
