

Petrol Lawn mower BM 51

Art.-No.: **34.010.54**

bar code: 4006825349054

Sales unit: 1 pc

Petrol lawn mower with a high quality **4-stroke motor 3,7 KW (5) (1)**, driven warrants a high perfection and reliability, quiet running, economical operation, a lot of power reserve and long service life. The contact free ignition and the automatic de-compression offer together with the rope pulling start mounted at the pushing handle easy starting with having to bend down. **The wheels (2) equipped with ball bearing** let the lawn mower roll along comfortably. The **ergonomic design of the handle (3)** which can be set in various angles and its **5 fold settings of the cutting height** make the unit really service friendly. You can change all 4 wheels with one handle at the same time! Well designed **powder-coated motor housing (4)**. Sturdy Grass collection bag (5) with large volume. Also should be mentioned the problem free transport of the cut grass into the collection bag warranting a high degree of grass intake.
