

OIL FREE BELT DRIVEN AIR COMPRESSOR

FBBDAC-5030

EH-Art. No: 30.002.61
Ident No: 11018
Barcode: 9319510022688
Bunnings Item No: 0066052

This air compressor is ideal for powering a wide range of air tools, requiring low to high air pressure, such as nail guns, paint sprayers, sanders and angle grinders. With a quick release Nitto coupling, swapping between tools is quick and simple.

Featuring an oil free motor, it requires minimal maintenance and provides hassle-free transport. The 50L tank capacity allows you to power through more tasks before refilling, whilst dual pressure gauges allow you to monitor the tank and output pressure easily. The oil free, belt driven motor is more efficient, serviceable and operates quieter than its direct drive equivalent.

FEATURES & BENEFITS

Powerful 3.0HP Motor – Drive a range of air tools & accessories

Oil Free & Low Maintenance – Easy, hassle free transport

Quick Release Nitto Coupling – Swap out accessories quickly & easily

50L Tank Capacity – Power through more tasks before waiting for the tank to refill

SPECIFICATIONS
