Item No.: 4350740

Ident No.: 21024

Bar Code: 4006825659146

The Einhell wall chaser TE-MA 1700 produces dimensionally accurate cuts or grooves with the best milling results thanks to the powerful motor. The infinitely variable milling depth adjustment, the marking of the cutting disc position and the individual cutting width adjustment for narrow and wide grooves allow maximum flexibility. The guide roller, the additional handle and the large handle ensure easy operation. The safe application is guaranteed by the overload protection, soft start and the pulling cut. The wall chaser also has a spindle lock, a suction adapter and a 4 m cable. Delivery includes a storage bag and four diamond cutting discs, so that you can start your project right away.
