Power Generator (Petrol)

**TC-PG 900**

**Item No.: 4152525**

Ident No.: 21015

Bar Code: 4006825691504

The Einhell power generator TC-PG 900 supplies power wherever there is no socket nearby. Powered by a robust 2-stroke engine, the generator supplies power to allotments, building sites or campsites via a 230-V socket. A continuous power output of 680 watts, with a maximum power of 900 watts, is available. The generator runs on a petrol-oil mixture (1:40) and, thanks to its 4.2-litre fuel tank, can operate for up to 6.6 hours at two-thirds load. An overload switch ensures safety, whilst the starter cord makes starting easy. The compact design, featuring a handle-shaped frame and sturdy base, ensures convenient transport and safety.

## Features & Benefits

- Powerful, robust 2-stroke engine
- Power supply for 1 x 230-V load
- Sturdy handle-shaped frame for easy transport
- Sturdy base for safe operation
- Overload switch for safe operation
- Easy-to-operate starter cord

## Technical Data

|                              |                        |
|------------------------------|------------------------|
| - Type of generator          | Synchronous            |
| - Frequency                  | 50 Hz                  |
| - 230 V socket               | 1 pcs                  |
| - Engine type                | two-stroke, air cooled |
| - Engine displacement        | 63.5 cm³               |
| - Engine speed               | 3000 min⁻¹             |
| - Fuel                       | Mixture                |
| - Capacity of fuel tank      | 4.2 L                  |
| - Running time with 2/3 load | 6.6 h                  |
| - Sound power level LWA      | 90 dB (A)              |
| - Max Watts                  | 900 W                  |
| - Running Watts (max)        | 680 W                  |

## Logistic Data

|                                        |                               |
