The Einhell GE-LC 18/25-1 Li Set is a practical set comprising the chainsaw and matching accessories. The chainsaw is suitable for clearing and felling small and medium-sized trees and for processing firewood. Kickback protection combined with an instant chain brake and a chain catcher pin always ensure high user safety. The metal bumper spike enables safe guidance methods. Chain tensioning and chain exchanging are executed without tools. The oil tank of the automatic chain lubrication can be easily refilled as needed by utilising the large oil filling opening. The set includes a replacement saw chain, a charging device and a 3.0 Ah battery for all devices in the Power X-Change family.
