**Trolley Jack**

**CC-TJ 2000**

**Item No.: 2011779**

Ident No.: 11028

Bar Code: 4006825623451

The CC-TJ 2000 trolley jack is a stable and mobile hydraulic car jack with 2 tons of lifting force. With its up to 33 cm lifting height, versatile works can be executed quickly in workshops and garages. Thereby, the support plate and the lift rod grant a safer and easier lifting of the load. Damages caused by overload are prevented reliably due to the integrated safety valve. The two ball-bearing castors allow simple manoeuvring, and the car jack can simply be transported due to its practical handle.

## Features & Benefits

- 2 ball bearing castors
- Integrated handle
- Support plate
- Removable lift rod
- Integrated safety valve against overloading

## Technical Data

- |                       |         |
|-----------------------|---------|
| - Payload             | 2 t     |
| - Lifting height min. | 13.5 cm |
| - Lifting height max. | 33 cm   |
