BG-SP 250 Submersible pump

Art.-No. 41.702.91

Ideal to empty flooded basements, tanks and containers, etc. The installed float switch controls the ON/OFF functions of the pump. High quality of the material i. e. stainless steel-driving gear, top quality axial face seal, screwed cable locks made of stainless steel warrant an almost corrosion-free and a long service life. The complete housing is made of an impact resistant material (plastic) .

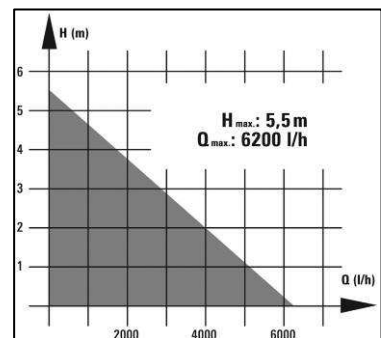

Features
