POWER X-CHANGE

Cordless Leaf Vacuum

VENTURRO 18/210

Item No.: 3433625

Ident No.: 21026

Bar Code: 4006825663631

With the Einhell cordless leaf vacuum VENTURRO 18/210 tedious leaf collecting is a thing of the past! The powerful 18 V cordless leaf vacuum is part of the Power X-Change family. With a suction capacity of 500 m³/h, the 3 kg lightweight device removes large quantities of foliage, which, with the shredding function, is reduced to one tenth of its volume and lands in a 45-litre collecting bag with viewing window to check the fill level. You can switch between suction and blowing function with max. 210 km/h air speed using the switch. With the speed electronics, the suction and blowing power are controlled individually. The leaf vacuum is comfortable to use thanks to the additional handle, two large wheels, carrying strap and wall mount.
