## HEATING

### HGG 300 Niro (DE/AT)

Hot Air Generator

Item No.: 2330910

Ident No.: 11086

Bar Code: 4006825237078

The HGG 300 Niro is a very powerful hot air generator for tough jobs. The power pack is ideal for heating building sites, well-ventilated areas, garages and even larger-sized tents. Not only is the hot air generator very sturdy with its galvanized sheet steel heating jacket and stainless steel sheet housing, but it is also protected against overheating of the housing. This article is designed for use in GER + AT.

### Features

- Housing made of stainless steel sheet
- Carry handle
- Heating jacket made of galvanized sheet steel
- Piezo ignition
- On/Off switch for fan
- Backfire guard
- Piezo-electric flame guard
- Gas valve button
- Pressure regulator 1500 mbar
- Gas valve button
- Solenoid valve
- Mains power cable

### Technical Data

|  |                                  |
|--|----------------------------------|
| - Nominal heat output                  | 30 kW                            |
| - Air volume operation range           | 1000 m³/h                        |
| - Consumption nominal heat output      | 2150 g/h                         |
| - Operating pressure max.              | 1.5 bar                          |
| - Type of gas bottle which can be used | 5 kg - 11 kg - propan gas bottle |
| - Type of gas                          | Propan                           |
| - Mains Supply                         | 220-240 V   50 Hz                |
| - Power                                | 38 W                             |
| - Unit Dimensions                      | 44.5 x 21.5 x 33 cm              |

### Logistic Data

|                                      |                    |
|--------------------------------------|--------------------|
| - Product weight                     | 4.7 kg             |
| - Gross weight single packaging      | 6 kg               |
| - Dimensions single packaging        | 470 x 230 x 290 mm |
| - Pieces per export carton           | 1 Pieces           |
| - Gross weight export carton         | 6 kg               |
| - Dimensions export carton           | 470 x 230 x 295 mm |
| - Container quantity (20"/40"/40"HC) | 920   1925   2170  |
