Dirt Water Pump

GC-DP 1135 N

Item No.: 4171539

Ident No.: 21014

Bar Code: 4006825680058

The Einhell dirt water pump GC-DP 1135 N is an all-rounder for pumping out ponds, excavation pits and basements, as well as for rainwater harvesting. With 1100 watts of power, the pump delivers up to 20,000 litres per hour at a max. discharge head of 8 m. The maximum immersion depth is 7 m. The pump is designed for foreign objects up to 35 millimetres in diameter. With its stepless float switch adjustment, the dirt water pump can be set to run continuously, or to switch-on and off at pre-set water levels. The pump housing is made of robust stainless steel, and it features a carrying handle for easy transport. The mechanical seal and cut-out ensure a long service life.

Features & Benefits

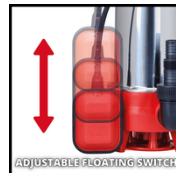

- Float switch with infinitely adjustable height
- Practical carrying handle
- Rugged stainless-steel pump housing
- High-quality mechanical seal for long service life
- Cable winder for easy storage
- 90°Elbow with Universal Connector
- Thermal overload protection for long service life
- High immersion depth thanks to long power cable and rope

Technical Data

- Mains supply	230 V 50 Hz
- Power	1100 W
- Max. delivery capacity	20000 L/h
- Max. delivery height	8 m
- Max. immersion depth	7 m
- Max. water temperature	35 °C
- Max. size of foreign particles	35 mm
- Hose connection	47,8mm (G1 1/2 IG)
- Power cord	10 m H05RN8-F

Logistic Data

- Product weight	4.65 kg
- Gross weight single packaging	6.15 kg
- Dimensions single packaging	220 x 184 x 410 mm
- Pieces per export carton	4 Pieces
- Gross weight export carton	25.5 kg
- Dimensions export carton	380 x 460 x 435 mm
- Container quantity (20"/40"/40"HC)	1480 3060 3672
