

Einhell

System Carrying Case

E-Case L with wheels OV

Item No.: 4540031

Ident No.: 21012

Bar Code: 4006825671292

The Einhell E-Case L is a member of Einhell's modular E-Case system. It is suitable for storing and transporting machines. The locking system ensures the secure connection of stacked cases. The case is made of polypropylene, which is splash-proof, heat-resistant and impact-resistant. The sturdy construction allows a total load of 120 kg. The large, rubberised wheels ensure easy transport on any surface. The E-Case is comfortable to carry thanks to the foldable ergonomic handle. The case can be equipped with a padlock and comes with an insert for hand tools and labelling stickers.

Features & Benefits

- Member of the modular E-Case system from Einhell
- System case set for storing machines & accessories
- Locking system for securely connecting stacked cases
- Sturdy construction for total load up to 120 kg
- Rubberised tyres (Ø 15 cm) for optimal transport on any floor
- Extra-wide, telescopic handle for easy transport
- Foldable, ergonomic handle for comfortable carrying
- Construction made of high-quality, robust polypropylene
- Heat-resistant, stiff and impact-resistant cases
- Splash-proof design
