

# 125MM 140W MINI BENCH DISC SANDER

MBDS-125

EH-Art. No: 30.005.47  
 Ident No: 11019  
 Barcode: 9319510024835  
 Bunnings Item No: 0206740

This Mini Bench Disc Sander is perfect for small, precision sanding tasks in your next DIY project. With 6 adjustable speed settings, use this to shape balsa wood, contour edges and square up faces on blocks of wood, plastic or soft metals.

Work on a range of bevel and mitre edges with the adjustable tilt table and sliding mitre fence. With 2 mounting positions, the sander can be clamped horizontally or vertically to best suit your workpiece orientation. Connect a vacuum to the dust extraction port to keep your work area clean and change sanding sheets quickly with the hook & loop paper fitment.

## FEATURES & BENEFITS

**Shape Timber, Plastic & Soft Metals** – Perfect for small DIY jobs such as shaping balsa, squaring faces on wooden blocks & rounding edges

**6 Speed Settings** – Get the desired finish on a range of materials

**Adjustable Table & Mitre Fence** – Create bevels & mitre faces on projects

**Hook & Loop Sandpaper Fitment** – Swap between sanding sheets quickly & easily

**Dust Extraction Adaptor Included** – Connect to a vacuum cleaner while you work to minimise mess in the workspace
