This universal mitre saw stand is perfect for freeing up your bench space or taking your mitre saw setup mobile. With foldable legs for easy transport and storage, take this with you from job to job. Adjustable, quick release base mounting points make this stand suitable for a range of mitre saw sizes up to 380mm wide. With extendable supports between 940mm to 1950mm, cut workpieces up to 2 metres in length. The adjustable roller heights and inbuilt material stops also make repetitive cuts a breeze.
