BG-EL 3000 E Electric Leaf Vacuum

Art.-No. 34.330.30

The electric leaf vacuum provides cleanliness on sidewalks and yard entries in a short period of time with his wide suction nozzle and the integrated blowing function. The integrated shredder reduces material like leaves and grass down to 1/10 of the original size. With the blowing function leaves sprayed out on wide grounds can be blown quickly on to one pile. Without any changing, the functions can be set just by pushing the selector switch. The no load speed is electronically adjustable. Therefore the blowing speed and suction capacity can be adjusted comfortable continuously. By low weight and four castors the unit can be used problem-free with the single-handle. For simpler transport the single-handle can be folded up easily.

Features

- On/Off switch (1)
- Collection bin approx. 45 l (2)
- Width suction nozzle (3)
- Four castors (4)
- Switch suction / blow (5)
- foldable handle (6)

Technical Data

- | | |
|-----------------------|----------------------------------|
| ■ Mains: | 230 V ~ 50 Hz |
| ■ Power: | 3,000 W |
| ■ Suction capacity: | 11 m ³ /min. |
| ■ Air flow: | 210 km/h |
| ■ Rotation speed: | 9,000 – 15,000 min ⁻¹ |
| ■ Working width: | 480 mm |
| ■ Net weight: | 7.2 kg |
| ■ Gross weight: | 8.7 kg |
| ■ Packing dimensions: | 490 x 490 x 540 mm |
| ■ Bar code: | 4006825555974 |
| ■ Sales unit: | 1 pc |
