This Brushless 2-in-1 Sander / Polisher from Ozito's 18V Power X Change range is ideal for sanding and polishing DIY jobs around the home and garage. Brushless motor technology maximises performance by providing more power, while the digital speed control can be adjusted easily to suit the job at hand. Use this at low speeds to polish your car to a high shine or at high speed for rust & paint removal.

The interchangeable handles are comfortable to hold and put you in full control of the tool, whilst the hook and loop fitment makes changing between accessories quick and easy. Pair this with a 5.2Ah Ultra Battery for optimum power and performance.
