Table Saw

**TC-TS 315 U**

**Item No.: 4340556**

Ident No.: 11018

Bar Code: 4006825640083

The TC-TS 315 U bench-type circular saw with a power rating of 2,000 W delivers accurate cuts. The table length extension makes it easy to handle long workpieces. For a direct view of each cut the blade guard is transparent. For safety the saw blade is height-adjustable and the tools for changing the saw blade are included with the product, along with the push stick. The saw blade can be adjusted up to 45° for miter cuts and the angle stop and the long guide rail system are designed to allow miter cuts between -60° and +60°. The parallel stop is sturdy and long for precise edging cuts. The overload switch protects the motor from damage. For mobile use there are handles and wheels on the base frame.

## Features & Benefits

- Table extension on the backside for long workpieces
- Transparent blade guard with direct view of the cut
- Handles and wheels to enable the device to be moved about easily
- Blade can be adjusted by up to 45° for miter cuts
- Height-adjustable blade with scale for safety reasons
- Long and stable parallel stop for edging cuts
- Long guide rail and angle stop between -60° and +60°
- Overload switch for protecting the motor from damage
- The packaging incl. tools for saw blade changing and a push stick

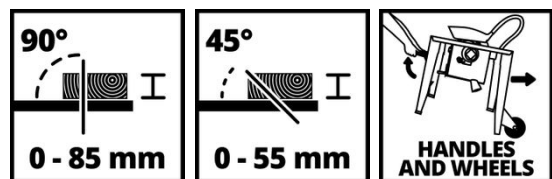

## Technical Data
