The Einhell TC-AC 190/50/8 compressor produces a maximum tank pressure of 8 bar, which can be adjusted using the pressure reducer. The 50 liter tank has sufficient air reserves. Oil lubrication ensures that it has a long life, with Einhell also providing a 10-year warranty against rusting through of the tank. For additional safety in use there is a non-return and safety valve, while user-friendly maintenance of the compressor is enabled by a drain plug. Other features include a pressure gauge and a quick-release coupling for regulated working pressure as well as a large pressure gauge for unregulated tank pressure. For mobility it has rubberized wheels and a transport handle, while noise during use is reduced by a foot with rubber buffer.

## Features & Benefits

- Oil lubrication contributes to long life
- The 50l tank provides sufficient air reserves
- Applications up to 8 bar can be set using the pressure reducer
- Pressure gauge & quick-release coupling for regulated pressure
- Large pressure gauge for unregulated pressure
- Rubber wheels and carrying handle for an easy transport
- Foot with rubber buffer for noise reduction
- 10 years warranty against rusting through of the tank
- Non-return valve, safety valve
- The drain plug enables user-friendly maintenance
