Workshop Trolley

TC-TW 150

Item No.: 4510151

Ident No.: 21025

Bar Code: 4006825640960

The Einhell TC-TW 150 workshop trolley is a mobile aid to help keep your workshop, craft room or garage tidy. With a total height of 87.6 cm and a working height of 86.6 cm, it offers ample storage space and a comfortable work surface. The unstocked trolley is equipped with seven ball-bearing drawers – four small (50 mm), two medium-height drawers (100 mm) and one extra-large drawer (205 mm). Non-slip mats in all drawers and on the surface ensure a secure hold. The interlock system prevents several drawers from being opened at the same time, so the trolley is prevented from tipping over. Four large castors, two of which are swivelling with a locking function, and a push handle make it mobile use easy.

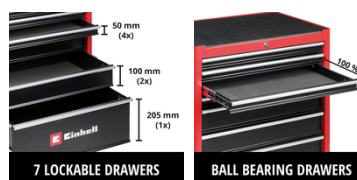

Features & Benefits

- Unstocked workshop trolley for mobile storage
- Built-in lock for secure storage
- 7 sturdy fully extendable ball-bearing drawers
- Interlock system: securely open one drawer at a time
- Non-slip mats in all drawers
- Large surface storage with non-slip mat
- Four castors for mobility
- Two swivelling castors with locking function
- Side handle for easy transport
- Total load capacity of up to 150 kg
- Robust sheet steel body for long service life
