

BRUSHLESS 5 IN 1 STEEL DECK MOWER

PXCSDMS-018

EH-Art. No: 30.003.83
 Ident No: 11018
 Barcode: 9319510023586
 Bunnings Item No: 0054479

The Ozito PXCSDMS-018 Brushless Steel Deck Lawn Mower with Vortex Technology is ideal for maintaining lawn areas up to approximately 400-500m². The Double Twin Pack Technology gives the user the choice of inserting two additional batteries for increased runtime.

The Vortex Technology Steel Deck provides improved air flow efficiency, which combined with the 75 litre catcher ensures your garden will look neat and tidy. With six position cutting height adjustments, your lawn can be cut at the perfect height each time. To encourage the health and growth of your lawn, the Lawn Mower can also be used for mulching, by returning finely cut grass clippings back onto your lawn where they deteriorate quickly releasing nutrients back into the soil.

The three position height adjustable handle allows the mower to be stored in a vertical position for compact storage, while the addition of the cleaning scraper facilitates keeping the mower clean and ready to tackle the next job.

FEATURES & BENEFITS

5 in 1 - Mower, mulching, side discharge, deflector rear discharge & catcher.

Brushless motor – Eliminates friction and wear for more efficient operation which means cooler motors and longer run time.

Double twin pack technology - Gives the user the choice of inserting two additional batteries for increased runtime.

Vortex technology steel deck - Provides improved air flow efficiency.

Mulching - Return finely cut grass clippings back onto your lawn where they deteriorate quickly releasing nutrients back to the soil.

Side & rear discharge - Delivers exact results depending on the users lawn cutting needs.

The Power to Choose – With Ozito Power X Change, you can choose the **Tool** you need, the **Power** you want and the **Extras** to suit.

SPECIFICATIONS

Input Power – 18V x 2 (36V)
