

600W 200MM ELECTRIC CHAIN PRUNING SAW

EJS-5520

EH-Art. No: 30.003.92
Ident No: 11018
Barcode: 9319510023647
Bunnings Item No: 0074481

This Electric Chain Pruning Saw features a 600W motor and quality 200mm bar and chain, which makes it ideal for cutting limbs and branches up to 100mm in diameter.

The clamping jaws together with the scissor action enables the user to secure limbs or brush for powerful and fast cutting in one easy motion. The ability to clamp unsupported limbs and branches provides a safe working environment which helps reduce the potential of kickback and vibration that can occur with traditional chainsaws or pruning saws.

Other features include automatic chain oiling that keeps both the bar and chain lubricated, this reduces the level of friction and helps prolong the life of these components. The safety switch mechanism improves operator safety and avoids accidental start ups.

FEATURES & BENEFITS

Scissor Cut Action – For safe cutting of limbs and branches up to \varnothing 100mm.

Clamping Jaw – Provides the ability to clamp limbs and brush for safe cutting in one easy motion.

Automatic Chain Oiling – Constant lubrication that reduces friction for maximum cutting performance and longer chain life.

Oil Level Window – So you can see very easily when it needs an oil top up.

SPECIFICATIONS

Input Power – 600W
Bar Length – 200 (8")
Cutting Capacity – \varnothing 100mm
Chain Speed – 8m/s
Chain Oiling – Automatic
Oil Tank Capacity – 60ml
Chain Pitch – 9.53mm (3/8")
Noise Rating – 100 dB

CONTENTS

1 x Electric Chain Pruning Saw
1 x Combination Wrench
1 x Instruction Manual

LOGISTICS

Product Weight – 3.84kg
Single Box Dimensions (LxWxH) - 1024 x 207 x 222mm
Outer Carton Qty – 2 units
Pallet Quantity - 18 units
