

Electric silent shredder GLSS 2540

Art.-No.: 34.305.49

Bar code:

Sales unit: 1 pc

High performance and noiseless electrical silent shredder with roller cutting unit which works without the noise of a conventional impact cutter shredder.

The shredder has a comfortable self feeder without recoil and cuts up probably also larger and harder trees and hedges and bushes to optimally compostable parts. The large dimensioned funnel opening makes a simply and comfortable filling possible.

The box with integrated safety switch offers a maximum of security.

Features:

- Large funnel opening (1)
- Practical transport handle (2)
- Robust undercarriage with wheels (3)
- Stable legs (4)
- Box for easy collecting and carriage from the shredder material
- Integral safety switch on the shredder material debris box (5)
- ON / OFF-switch with undervoltage release (6)
- Reverse running switch (7)
- Integral plug with coupling protection for connection cable (8)

Technical data:

- Mains: 230 V ~ 50 Hz
- Power: 2,500 W (S6 40%)
- Cutting unit idling speed: 40 min⁻¹
- Sound level L_{WA}: 106 dB (A)
- Branch diameter max.: Ø 40 mm
- Box capacity: approx. 60 l
- Net weight: 29.2 kg
- Gross weight: 32 kg
- Packing dimensions: 570 x 415 x 515 mm
