Angle Grinder

TP-AG 230/2000

Item No.: 4430896

Ident No.: 21015

Bar Code: 4006825688788

The Einhell Professional angle grinder TP-AG 230/2000 is a powerful tool for grinding and cutting work on metal, stone and other materials. With 2,000 watts, an idle speed of up to 6,500 rpm and a 230 mm disc diameter, precise cutting depths of up to 71 mm are possible. An additional handle that can be mounted in three positions and the disc guard which is adjustable without tools offer a high degree of flexibility. The anti-vibration function and the ergonomic soft grip design ensure comfortable working. A robust aluminium transmission housing and the 3-m-long rubber cable complement the equipment. Delivery includes cutting guard, without cutting disc.

Features & Benefits

- Anti-vibration feature for comfortable, safe working
- Quick-adjustment disc guard for flexible use
- Auxiliary handle can be attached in 3 positions
- Dust-proof construction for long service life
- Durable aluminium transmission housing
- Large range of action thanks to 3-m-long robust rubber cable
- Ergonomic design with soft grip for optimal handling
- Incl. cutting guard for increased safety
