## BG-EB 1035 Electric Scythe

Art.-No. 34.016.51

The practical electric scythe for cutting grass in hard to get into zones, like along fences, walls, under bushes – everywhere the lawn mower cannot be used any longer or where the grass is too high. The powerful 1,000 W motor is directly at the handle. By the adjustable additional handle and the length adjustable carrying belt the unit is easy and comfortable to handle. The Electric Scythe is equipped with a practical tip-automatic with a 2 mm strong double line.

### Features

- Electronic soft starting
- Automatic revolution adjustment during load
- Cable strain relief
- Switch with engaging lock (1)
- Adjustable additional handle (2)
- Double line cutting feature (3)
- Thread feed by tip-automatic (4)
- Length adjustable carrying belt (5)
