Dirt Water Pump

GE-DP 3925

Item No.: 4170710

Ident No.: 21045

Bar Code: 4006825572339

The dirt water pump GE-DP 3925 is designed for pumping tasks around the home and garden. With 390 W power, the device pumps up to 10,000 litres per hour at a maximum delivery height of 6 m. As a 2-in-1 pump, it is suitable for waste water with a particle size of up to Ø 25 mm as well as for clear water. The continuously height-adjustable float switch enables automatic or continuous operation. The pump has an impact-resistant plastic housing, a mechanical seal to protect the motor, and a G1½ (47.8 mm) pressure connection incl. a universal adapter for 25/32 mm and G1 (33.3 mm) hoses. The carrying handle, hanging eyelets and cable storage on the housing facilitate handling and storage.

Features & Benefits

- 2-in-1: Clear water and dirt water pump
- Can handle water containing particles up to 25 mm in size
- Pump can be started from 50 mm water depth
- Float switch with infinitely adjustable height
- High-quality mechanical seal for long service life
- Easy-to-reach hose connection on top of the pump
- Convenient cable winder on the housing
- Carrying handle with integrated lifting eyelet
- 47.8 mm (R1 1/2 external thread) hose connection
- Incl. universal adapter for 25/32 mm and 33.3 mm (1" external thread)

Technical Data

- Mains supply	230 V 50 Hz
- Power	390 W
- Max. delivery capacity	10000 L/h
- Max. delivery height	6 m
- Max. immersion depth	7 m
- Max. water temperature	35 °C
- Max. size of foreign particles	25 mm
- Hose connection	47,8 mm (G 1 1/2" AG)
- Power cord	10 m H05RN-F

Logistic Data

- Product weight	4.54 kg
- Gross weight	6.24 kg
- Dimensions single packaging	275 mm x 200 mm x 430 mm
- Pieces per export carton	4 pcs
- Gross weight of export carton	26.1 kg
- Dimensions export carton	560 mm x 420 mm x 440 mm
- Container quantities (20"/40"/40"HC)	1080 pcs 2240 pcs 2688 pcs
