BT-MB 550 U Metal Band Saw

Art.-No. 45.042.02

This metal band saw, equipped with three speeds, offers a wide range of possibilities for cutting of metal and aluminium. It's ideally suitable for sawing tubes and profiles. Its rugged induction motor provides quiet operation. The precision 3-guide rollers optimally guide the saw band through the unit. The guide rollers are made of metal and assure a long life span. **The unique swivel head allows mitre cuts on long and bulky parts. Swivelling the clamping device is no longer necessary.**
