The Einhell CE-CC 18/23 D Li-Solo cordless car air compressor enables wireless inflation of car tyres, bicycle tyres, balls, and leisure items. With an air output of 12 l/min at 4 bar and a maximum pressure of 11 bar, it operates efficiently and precisely. The digital pressure gauge with a memory function stores up to four pressure values. The automatic shut-off prevents overinflation, while the deflation function releases excess air in a controlled manner. An LED light and a soft-grip carry handle ensure convenience.
