

## Fountain Pump LE-TP 1750 Niro Set

incl. bell shaped fountain and foaming head spout Sales unit: 8 pcs

Art.-No.: 41.724.47

Bar code: 4006825535556

This powerful submersible pond pump assists you in obtaining a good water quality and cares for the right amount of oxygen in the water. It is an eye-catching device in your garden pond or artificial brooklets. The pump is designed for permanent use under water. The pump is powered by an oil-less motor with the stator completely sealed-in and water-cooled permanent magnet rotor. The housing is made of impact resistant stainless steel.

### Features:
