Bar Code: 4006825657951

The Einhell cleaning set is a practical set of accessories for robot lawn mowers for cleaning, maintenance and care of Einhell robot lawn mowers. Robot lawn mowers are basically easy to look after: They dutifully and diligently get their work done on the lawn without any need for major maintenance or servicing work. When stubborn grass residues have collected in the mowing area the robot lawn mower will no longer be able to work as efficiently. The cleaning set from Einhell contains a scouring pad, spatula and various brushes for removing dirt and a microfiber cloth for taking care of plastic parts. A screwdriver is also included for changing blades, along with gloves for user protection.
