

BRUSHLESS BLOWER VACUUM

PXCBLVS-018

This Ozito 2 x 18V Brushless Blower Vacuum provides a complete solution to your garden maintenance needs. Brushless motor technology eliminates friction and wear for a more efficient operation which means cooler motors and longer runtime. It is ideal for blowing leaves, grass clippings, twigs and loose garden debris from patios, driveways, courtyards, decks and footpaths, easily and effectively. The selector dial allows quick change over from blower to vacuum mode, it is suitable for vacuuming leaves, grass clippings, twigs and garden debris.

Featuring a 10:1 mulching ratio it will reduce large piles of garden waste into easily manageable mulch. With a large 45-litre collection bag, the vacuum collects all of your material for easy disposal and composting. A shoulder strap and nose guide wheels improve user comfort and allow easy manoeuvring around the garden.

FEATURES & BENEFITS

210km/h Variable Air Speed – ideal for blowing leaves, grass clippings, twigs and loose garden debris from patios, driveways, courtyards, decks and footpath, easily and effectively.

Powerful Brushless Motor – Allows longer runtime due to an efficient design, a cooler running motor and better distribution of power.

45 Litre Collection Bag – Collects all the debris for easy composting.

10:1 Mulching Ratio – Reduces large piles of garden waste into easily manageable mulch
