Laser Levelling

Item No.: 2270095

Ident No.: 11027

Bar Code: 4006825616217

The Einhell laser levelling TC-LL 1 is the ideal tool for precision work around the home, on site or in the workshop. It enables both exact laser points and precise laser lines to be marked with high precision. The laser levelling makes it easy to project horizontal, vertical or even diagonal installation lines. It can also be used as a precise spirit level. For precise laser alignment there are integrated spirit levels. In addition, the spot laser offers exact transfer of heights in rooms. Comfortable and user-friendly operation is ensured by the soft grip and flexible wall bracket which are included among the features of the Einhell laser levelling TC-LL 1.

Features

- For use as a laser levelling or as a conventional spirit level
- Horizontal, vertical or diagonal laser lines and spot laser
- Precise laser alignment thanks to integrated spirit levels
- Spot laser for the exact transfer of heights
- Comfortable handling thanks to the soft grip
- Complete with wall bracket for working comfort
- 2x 1.5V AAA batteries needed (not included in delivery)

Technical Data

- working range - line	5 m
- working range - dot	20 m
- Laser class	II
- Laser diode	650 nm
- Accuracy	0.5 mm/m

Logistic Data

- Product weight	0.12
- Gross weight single packaging	0.42
- Dimensions single packaging	115 x 69 x 202 mm
- Gross weight export carton	4.2 kg
- Dimensions Export Carton	365 x 245 x 220 mm
