Automatic Water Works

**GC-AW 6033**

**Item No.: 4176733**

Ident No.: 21014

Bar Code: 4006825680003

The Einhell automatic domestic water pump GC-AW 6033 is a powerful appliance for the energy-efficient extraction of clear water from reservoirs, wells and water shafts for use in irrigation or for service water supply. Its electronic flow switch with LED display and automatic function switches the pump on and off automatically when water is drawn off. With its powerful 600-watt motor, the appliance can pump up to 3300 litres of water per hour. The automatic domestic water pump features, among other things, a pre-filter with check valve, a large water-fill opening for easy priming and a high-quality plastic pump housing. The carrying handle ensures comfortable transport.

## Features & Benefits

- Automatic function responds to demand for pressure or drop in pressure
- Integrated LED display to show the pump status
- Large water-fill port for easy priming
- Frost protection: Water drain plug for emptying residual water
- Pre-filter with non-return valve
- Stable pump base incl. mounting holes
- Durable pump housing made of impact-resistant plastic
- Integrated carrying handle for easy transport
- Thermal overload protection for safe operation
- Dry-running sensor to protect the pump

## Technical Data

- Mains supply	230 V   50 Hz
- Power	600 W
- Max. delivery capacity	3300 L/h
- Max. delivery height / - pressure	36 m / 3.6 bar
- Max. suction height	8 m
- Max. water temperature	35 °C
- Suction connection	42mm (R1 1/4 AG)
- Pressure connection	33,3mm (R1 IG)
- Power cord	1.5 m   H07RN-F

## Logistic Data

- Product weight	7.75 kg
- Gross weight single packaging	9.73 kg
- Dimensions single packaging	475 x 260 x 360 mm
- Pieces per export carton	1 Pieces
- Gross weight export carton	9.73 kg
- Dimensions export carton	470 x 260 x 360 mm
- Container quantity (20"/40"/40"HC)	600   1200   1350
