BG-EH 3551 T Electric Hedge Trimmer

Art.-Nr. 34.037.20

A practical helper to neatly cut even the thickest hedges. Silent, safe and environmentally friendly in its use. The driving gear provides high cutting efficiency and an effective cut-off in case overload. The ON/OFF safety switch and a large hand protection shield warrant a safe operation. Also high hedges and roomy planting can be cut by the extension slat. Due to the different settings of the handle the hedge trimmer is adjustable to many cutting positions.
