The Original Einhell brush ULTRA 95/25 is a suitable accessory or spare part for the Einhell cordless surface brush PICOBELLA 18/90. The hard brush with brass bristles is universally applicable and is ideal for removing stubborn dirt. Rust films and encrustations on grill grates can be easily and precisely removed thanks to the handy brush. The delicate patina is not damaged, so that the corrosion protection is retained. In addition, the metal brush can also be used to do fine grinding work, such as removing paint on wood, stone or other metals. The outwardly directed bristles facilitate cleaning in tight spots.
