With the Einhell electric knife chopper GC-KS 2540, chopped material can be shredded quickly and reliably. The two robust and durable reversible blades made of special steel, which are driven by a powerful 2,500 watt motor, ensure effective work. The large hopper opening enables easy feeding of the chopped material up to a branch diameter of 40 mm. Thanks to the sturdy frame with wheels and handle, the shredder can be transported easily and quickly. The knife chopper is equipped with a 50 L chopped material collection sack, which is easy to fix. The supplied tamper enables for fast, safe tracking of chopped material.
