Item No.: 4007361

Ident No.: 21014

Bar Code: 4006825683974

The Einhell Compressor TC-AC 270/50/10 is a practical helper for the workshop and garage. With its powerful 1,800 W induction motor and a suction capacity of 270 l/min, it is equipped for any task. The maximum working pressure of 10 bar can be manually adjusted using the pressure regulator. There is a separate manometer for both the unregulated tank pressure and the regulated working pressure. The large 50-litre tank provides sufficient air reserves. Thanks to the carrying handle and two sturdy wheels, the oil-lubricated compressor can be quickly and easily transported to the desired location. Maintenance is simple via the drain screw.
