Electric Fireplace

EF 1800

Item No.: 2338101

Ident No.: 11016

Bar Code: 4006825625134

The EF 1800 electric fireplace is designed for romantic evenings in front of a flickering fire and provides pleasant warmth. The source of heat has no emissions or dust. Supplied with a remote control, the EF 1800 is comfortable to operate. There is a choice of two adjustable heat settings with 900 W and 1800 W. Featuring an elegant front panel in curved safety glass, the equipment measures 850 x 150 x 560 mm to make it both practical and convenient to use. The LED flame is equipped with a dimmer function and can be turned on and off independently of the heat output. For safety the EF 1800 electric fireplace has integrated overheating protection inside. This product is only suitable for well insulated spaces or occasional use.
