3x 125mm Flap Discs Curved

Item No.: 4440020

Ident No.: 21014

Bar Code: 4006825682274

The original Einhell curved flap discs in a set of 3 are suitable for all 125 mm angle grinders. They are specifically designed for the Einhell Professional cordless angle grinder TP-AG 18/125 F Li BL. The grinding discs with ceramic grain have a diameter of 125 mm. With a grit of P60, they are particularly suitable for demanding tasks, such as removing irregularities. The flap discs are mainly used for rough grinding work on steel, metal, and cast iron, as well as for processing weld seams and general derusting work. Included are 3x curved flap discs with ceramic grain and a grit of P60.
