

Air dehumidifier LEF 200 incl. spare filter

Art.-No.: 23.690.10

Bar code: 4006825234442

Sales unit: 1 pc

This smartly designed and almost silent air dehumidifier LEF 200 is suitable for basement which were flooded by water or of course for rooms with high humidity (i.e. in summer time). The dehumidifier LEF 200 reduces the humidity substantially. The air intake is on the front side, the water extracted is collected in the water tank and the dried air flows out on the top.

Supplied with an additional spare filter.

Technical data:

- Mains: 230 V ~ 50 Hz
- Power: max. 200 watts
- Room volume: 18 to 36 m³
- Temperature range: +5°C to +35°C
- Air circulation: 130 m³/h
- Humidifying capacity: at 27 °C and 60 % humidity 5,2 l a day
at 30 °C and 80 % humidity 10 l a day
- Switch: ON/OFF
- Speed switch for: HI = rapid fan
LO = slow fan
- Water tank with float control: 2,7l (2,5l at autom. stopp)
- Tank level control: FULL
- Defrosting indicator: Defrost
- Cooling agent: HFC-134a
- Application: mobile unit
- Weight: 16,8 kg
- Packing dimensions: 550 x 385 x 305 mm

Features:

- Control panel with LED-Display and air humidity adjustment (1)
- Water level display (2)
- Castors (3)
- Water tank (4)
- Dust- and activated carbon filter (5)
- Air escape lamellas
