Power Generator (Petrol)

TC-PG 8000

Item No.: 4152640

Ident No.: 21013

Bar Code: 4006825675085

The Einhell generator TC-PG 8000 is driven by a powerful 4-stroke motor. A variety of devices can be connected to the two 230 V sockets or the 400 V connection and supplied with up to 7500 W of continuous power or 8000 W peak power. The AVR features ensures the stability of the power output, and the generator can be started easily by an electric start function in conjunction with a starter battery (included). The 25-litre tank with level indicator ensures the generator can run uninterrupted. An overload switch and low-oil cut-out ensure safety and long service life. Two large wheels and a folding handle mean the generator is perfect for portable use.

Features & Benefits

- Powerful, robust, air-cooled 4-stroke drive motor
- Power supply for 2x 230 V outlets or 1x 400 V outlet
- Easy electric start: comes with starter battery
- Large wheels and folding handle for portable use
- Large 25 L tank with fill level gauge for long runtimes
- AVR technology for stable output power
- Overload switch and low-oil cut-out for safe operation

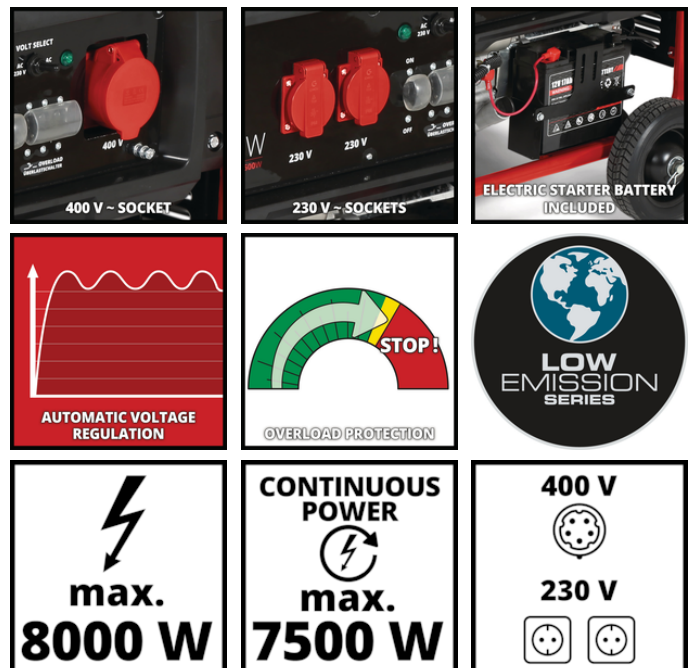

Technical Data

- Type of generator	Synchronous
- Frequency	50 Hz
- 230 V socket	2 pcs
- 400 V socket	1 pcs
- Engine type	four-stroke, air cooled
- Engine displacement	459 cm ³
- Engine speed	3000 min ⁻¹
- Fuel	Petrol (unleaded) / E10
- Capacity of fuel tank	25 L
- Running time with 2/3 load	9.5 h
- Sound power level LWA	97 dB (A)
- Max Watts	8000 W
- Running Watts (max)	7500 W

Logistic Data

- Gross weight single packaging	102.64 kg
- Product weight	96.74 kg
- Gross weight export carton	102.64 kg
- Pieces per export carton	1 pcs
- Container quantity (20"/40"/40"HC)	108 240
- Dimensions export carton	740 x 570 x 580 mm
- Dimensions single packaging	750 x 575 x 580 mm
