Tripod

Tripod 37 - 110 cm

Item No.: 2270115

Ident No.: 21024

Bar Code: 4006825616255

The original Einhell telescopic tripod tripod 37-110 cm enables a firm stand for laser measurements. A stable base to support the measuring device is a prerequisite for accurate measurements. The Einhell tripod is suitable for the Einhell TC-LL 1 laser level and the Einhell TC-LL 2 and TE-LL 360 cross-line laser levels, among others. The 1/4"-tripod-threaded device adapter means it is also suitable for common laser measuring devices with 1/4" connections. The lowest working height is 37 cm, while the maximum working height is 110 cm. A storage bag is included for transport and to protect the tripod when in storage.

Features & Benefits

- Original Einhell telescopic tripod 37 - 110 cm
- Device holder with 1/4" tripod thread for precise work
- Flexible working thanks to adjustable working height
- Min. working height of 37 cm, max. working height of 110 cm
- Compatible with Einhell laser leveling devices
- Compatible with Einhell cross line lasers
- Includes practical bag for storage

Technical Data

- Adapter 1/4" yes
