Original Einhell Reversible Planer Blades are suitable accessories or replacement parts for Einhell stationary planers. The two planer blades are specifically designed for the Einhell stationary planer TE-SP 330. Thanks to their double-edged sharp design, the reversible blades can be used on both sides, ensuring perfect planing quality and smooth surfaces. Made from high-quality HSS steel, the 332 mm long planer blades are also suitable for wider workpieces and ensure a long service life. The set includes two resharpenable reversible blades for the Einhell stationary planer TE-SP 330.
