

FBS 62 A Single Plug-in Cold Frame

Art.-No.: **36.804.11**

bar code: **4006825508635**

Sales unit: **5 pcs**

The single plug-in cold frame consists of 4 mm strong, highly transparent polycarbonate sheets held by sturdy aluminum profiles. It can be set-up fast and easily and can also quickly be dismantled and stored away till the next season because of the cutting system (see arrows).

Opening and/or airing is achieved due to the special click-system and the foldable top-lid (see arrows).

Features:

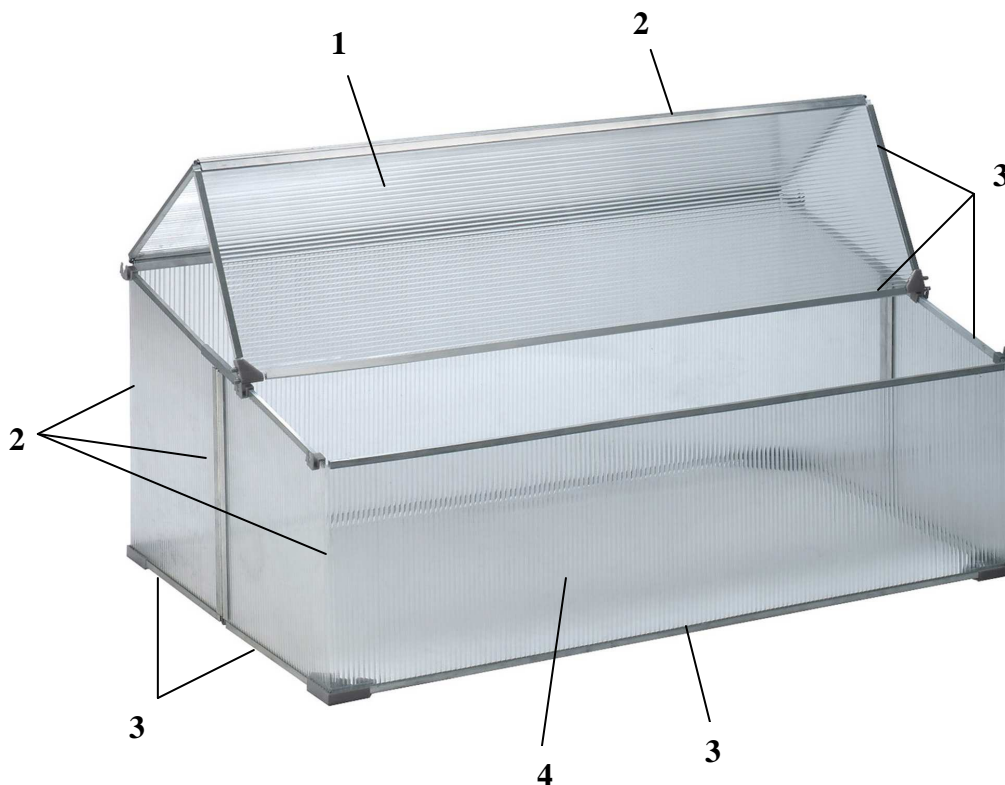

- Folding lid – individual opening possible (1)
- aluminium-articulation profiles for cutting the walls and cover (2)
- Sturdy, corrosion-free aluminium profiles (3)
- Impact resistant, weather proof, heat retaining, 4 mm hollow chamber panels (4) of polycarbonate
- Easy assembly due to only a few parts
- Complete with ground anchor

Technical data:

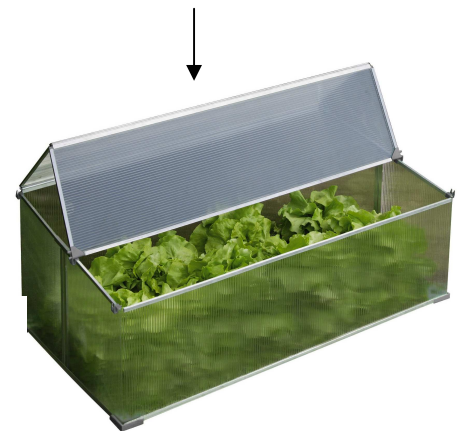

- Planting area approx.: 0,5 sq.m
- Dimensions approx.: 960 x 530 x 280 x 375 mm
- Weight: 3,9 kg
- Packing dimensions approx.: 995 x 385 x 57 mm

Supplied with:

- 4 mm sturdy polycarbonate sheets
- 4 mm polycarbonate top lid
- Aluminium profiles, ground anchor, fixing material
