Table Saw

TP-CC 10 T

Item No.: 4340435

Ident No.: 21025

Bar Code: 4006825671742

The Einhell Professional TP-CC 10 T table saw is a must-have in every workshop thanks to its 2,000 watts of power, 85 mm cutting height, Ø 254 mm blade and sliding table. The saw blade can be tilted up to 45° and is height adjustable. The rip fence can be installed on either side and has a foldable system that allows it to function as a table extension. Alternatively, it can be fixed directly next to the saw blade for narrow cuts. The aluminium angle stop is equipped with a 15° guide grid and can be attached to the sliding table. The steel frame construction ensures stability, while transport handles and accessory holders facilitate transport.
