Garden Pump

GC-GP 6040

Item No.: 4180320

Ident No.: 21035

Bar Code: 4006825637250

Thanks to the 600-watt motor, the Einhell garden pump GC-GP 6040 can convey up to 4,000 litres of clear water per hour. A foldable carrying handle makes transport to cisterns or wells easy and saves space during storage. Commissioning is simplified by a water filling opening with a fill indicator, while activation is carried out via a central switch. Thermal protection prevents damage from overload, and mechanical seals ensure low-wear operation. The system can be completely emptied without tools via a drain plug for frost-proof storage. The pump has a 42-mm (1 1/4" external thread) inlet connection and a 33.3-mm (1" internal thread) pressure connection.
