The Einhell 3-piece air tool set comes in handy on a whole range of jobs in the home, worked and garage and for leisure activities. It is suitable for compressors with working pressure of at least 8 bar. The blow-out gun is ideal for cleaning surfaces and work areas. For checking tire pressure or inflating tires, the tire inflator is always ready to hand and connected in an instant. It provides the user an extensive work area thanks to the 4 meter compressed air hose. This has an inner diameter of 6 millimeters. The air hose also has a quick-release coupling for changing the tools quickly.
