This 2 piece Cordless DIY kit from the XU1 18V Li-Ion range is ideal for light DIY drilling & screw driving tasks. With 2 18V 1.5Ah Li-Ion batteries, and a standard charger included, get started on your next DIY job right out of the box.

With 16Nm and 16 levels of torque in the drill driver, drill holes or fasten screws and bolts with ease. Use the 110Nm impact driver for repetitive fastening tasks. The soft grip handle and lightweight, compact design of the impact driver make this tool comfortable to use over long periods, whilst the built-in LED worklight allows you to work in dark, hard to reach areas.
