This cordless 2-in-1 Nail & Staple Gun from Ozito's Power X Change range is perfect for craft projects and small DIY jobs around the home and garden. The included nails and staples will help you get started on your next fastening task, for example creating a canvas painting frame, repairing upholstery or putting up a small fence.

The safety striker system protects you from accidental firing and the status indicator light will let you know when the tool is ready to fire. The force adjustment dial gives you precise nail/staple depth control to suit a wide variety of materials such as MDF, pine or hardwood. With a 90-piece magazine capacity and a 20 shot per minute firing rate, you'll make quick and easy work of the task at hand.
