TH-VC 1820 S Kit Vacuum Cleaner Kit

Art.-Nr. 23.421.75

The TH-VC 1820 S is an allround vacuum cleaner. You can clean rough, fine and dry or wet dirt even liquid without any problems. The throughput of the wet-dry vacuum cleaner is stopped automatically due to a protection float switch when liquid is suctioned and the vessel is filled.

In connection with a wet-/dry vacuum cleaner the ash filter is suitable for suction of cold ash or cold wastage of chimneys, wood stoves and barbecues. It avoids a rough defilement of the vacuum cleaner and its filter system. The wet-/dry vacuum cleaner absorbs only the fine dust, the rough dirt remains in the ash filter. After application the ash filter can be simply emptied or washed out with water.

Features Vacuum Cleaner

- 36 mm tube system
- Carrying handle
- 20 l stainless steel vessel
- 4 pcs castors
- Accessory bracket
- Cable hook
- Blow adapter

Features Ash Filter

- Metal suction hose
- Aluminium suction tube
- Quick release fastener
- Connection for wet-/dry vacuum cleaner
- Carrying handle

Standard accessories

- 1 suction hose \varnothing 36 mm

- 1 foam filter
- 1 crevice nozzle
- 1 adapter
- 3 extension pipes \varnothing 36 mm
- 1 large suction nozzle with combi attachment for carpets and smooth floors

Logistic data

- Net weight: 6.8 kg
- Gross weight: 8.4 kg
- Packaging dimensions: 330 x 325 x 490 mm
- Bar code: 4006825 584035
- Sales Unit: 1 pc

Technical data Vacuum Cleaner

- Mains voltage: 230 V ~ 50 Hz
- Input power: 1,250 W
- Suction power max.: 180 mbar
- Vessel capacity: 20 l
- Product weight: 5.0 kg

Technical data Ash filter

- Suction hose diameter: 35 mm
- Suction hose length: 1 m
- Tank volume: 12 l
- Product weight: 1.9 kg
