Workshop Trolley

TC-TW 100

Item No.: 4510170

Ident No.: 21023

Bar Code: 4006825614305

The Einhell TC-TW 100 workshop trolley helps to easily keep your workshop, craft room or garage tidy. Four smooth-running drawers on telescopic rails, a spacious storage compartment with flap cover and a non-slip mat offer plenty of space for your tools and machines. The interlock system also prevents the trolley from tipping over by allowing you to open only one drawer at a time. Four castors, two of which are swivelling with a locking function, provide mobility and a secure stand. The sturdy body, practical push handle and compact design make the trolley especially versatile. The working height is 74.8 cm, and the total load capacity is 100 kg.
